

- I'm Andrew "Smudge" Smith, I am a 4th Year Construction Management Student and I want to be your Vice President for Sports and Societies for 2010/2011!

I have been a member of the Men's Football club since the start of this year. It is a massive regret of mine that I never joined any Sports Club or Society until my 4th year of University. I know there are other Students in Caledonian that are keen sports people but haven't yet joined a sports team or society. This is something that I want work on and get these Students at Caledonian involved in sport. Also, I have been on the Snowsports Club holiday to France twice and I am about to embark upon my first Uni Sports team tour in April. Encouraging more trips away and making them cheaper is going to be a real aim of mine because the fun and banter is amazing!

Joining a sports team has undoubtedly been the best decision I could have made coming to Caley, even though I left it late to join, it has allowed me to meet so many amazing people as well as opening lots of doors for new opportunities. If I'm elected as VPSS I hope to make Sports and Societies as good for all students as it has been for me this year!

Cheers, Smudge. VOTE ME !!! yeeeeeeeeeeeeeeeeooooooooow!

WHY VOTE FOR ME??

- Making our Wednesday Sports night out bigger and better and CHEAPER! No more excuses for sports members not to be out. Win or lose... we booze.

TEAMS

- I want to get sponsorship for all our sports team for new Kit.
- Social Network pages for all teams so players and fans can keep up to date with current affairs.
- New clubs this year such as Tennis, Fencing and Surfing need all the help they can get from us, and I intend to be there to provide this support.
- Teams and individuals in the higher leagues such as Football and Basketball need an extra boost to keep the ball running from this year's success to help promote the excellence that is at Caley and send a message to other Universities.
