

## **Vote for Matt Wilberton for International Students' Officer on March 4<sup>th</sup>!**

Hello, I'm Matt Wilberton. I am a second year International Business student at Caley. I welcome the opportunity to represent the large and diverse global student population at Glasgow Caledonian University. GCU's International student community is a valuable asset to the university and should be represented as such. After all, it is these students who will return to all corners of the globe to represent GCU and Scotland. This is as influential as any ad campaign in terms of attracting new students. I intend to increase the profile of the international community as a whole and also work with the first class international Student Support Service (ISSS) at Caley to help with day to day and administrative assistance to students.

Moving to and studying in another country, can be quite an intimidating and challenging step in a student's life. I aim to work with existing ISSS network to streamline the paperwork and integration process and allow students to get on with the fun and challenging aspects of university life! I will also collaborate with the candidates for other positions on international student issues to make the Caley experience a great chapter in students' lives.

**Thanks and make sure you vote on Thursday, March 4<sup>th</sup>!**
