

Hi, I'm Stephen just finished my Masters at Glasgow Caledonian University. Students need to save money while having fun and that's what my policies do.

- Bar on Campus
- Shop on Campus
- Lower Library Fines
- Lower Gym Membership Prices
- More Social Space on campus
- Bring Back Pool tables in the Student Association
- 24 Hour Library throughout the Year
- Increase awareness in Procedures for Academic Appeals and promote GCUSA support and advice on issues affecting students
- Increase the use of nightline and promote C-Card

I will tell you what I will not do:

- I will not vote to raise my own pay
- Not attend NUS Welfare Zone Conferences
- I will not mislead student parliament
