

## Who am I?

Hi my name is Stephanie Pitticas and I am running for the position of Student President. I am a 4<sup>th</sup> year Criminology student that has vastly enjoyed the Caledonian University experience. For the past 4 years I have represented the university on the sports field and been a regular in and around the Students Association. All of this year I have been chairing student parliament to familiarise myself with current student views/opinions and also gained the knowledge as to how the current executive runs. If elected I hope to be the voice of the student body, to be a President for the many and NOT the few, so vote for me and you can be assured that I will work for you.

If elected Caley President:

- I would like to see more employment opportunities for Caley students in and around campus.
- Attempt not to diminish the current cosmopolitan nature of our library but instead I want to create areas of 'quiet study' around campus so that the students really needing to focus get a chance to do that. I would like to see our library using the 24-hour service for students when they need it most – during the exam diet, as I feel students could benefit from the removal of library time restrictions during this period.
- I would like to develop a student tutoring service, ran by the students for the students for those that could benefit from an informal chat with one of their older peers.
- I would aim to get International students more involved in the sports side of the university as I feel being involved in sport adds a whole other enjoyable dimension to a student's university experience.
- I would like to see Caley university go International by creating further links with other universities around the world with the scope of giving students a chance for travel and to experience placements in a foreign country.

Caledonian University has given me some of the best years, so I want to ensure that all students can have a similar experience. So...

“Vote for me...and I will WORK for you”.
