

VOTE SUZIE YOSEF FOR STUDENT PRESIDENT

I am a final year Business Studies student and a proud member of Glasgow Caledonian, our university! I am passionate about the welfare of my fellow students, and I care about what will happen to you after graduation, especially after all the hard efforts you put into your degree.

As your student president I plan to:

- Support the start of programme specific career events within the university, and work on ways to improve the university careers service in order to enhance **YOUR** employability for when you go out into the competitive world of work
- Support the promotion of the Student Leaders Programme, Sports and Societies and other Students' Association activities so more of you have the opportunity to enjoy and make the most of **YOUR** student experience, make more friends, and enhance your CV
- Work with the university on improving coursework feedback and turnaround time of exam results
- Work on maintaining and continuing all the positive changes happening in **YOUR** Students' Association and being part of a successful executive committee that supports and provides a voice for **YOU**
