

My name is **Louise Moncrieff** and I am running for the position of **Mature Students' Officer**.

Below I outline a few reasons why I think I make a good candidate and what I aim to achieve, if elected.

Objectives

Since this is a new position here at GCU I want to ensure I am accurately representing mature students. We come from a variety of backgrounds and circumstances with different needs which need to be recognised. In order to achieve this I will:

- Find a way to effectively gather your opinions, whether through Facebook, survey or another format;
- Tailor events and activities to your needs;
- Be your voice to the Caledonian Student Parliament;
- Keep up to date with NUS campaigns.

Experience

- Representing students in the position of Vice-President (Education and Welfare) after my previous studies at Heriot-Watt University;
- 1st year Class Representative here at GCU;
- Worked for the National Union of Students (NUS) Scotland as a project assistant.

This experience means I have a good understanding of representing students at class and university level. I have working knowledge of a Students' Association Governance Structure so I can put your views across in the best way possible.
